HYBRID FLOORING

Welspun^WLIVING

From an idea to revolution and beyond

Welspun is one of India's fastest-growing global conglomerates. With 'Har Ghar Welspun' (Every Home Welspun) at the heart of our culture, we are amongst global leaders in markets like U.S.A, Saudi Arabia, Europe and also in India.

Welspun Flooring is Welspun Group's newest brainchild. With a state-of-the-art manufacturing facility spread over 300 acres, we are disrupting the world of flooring. Crafted passionately by our dedicated team of experts, Welspun Flooring is a breakthrough in terms of engineering and design. With form meeting function in each style, you'll see flooring in a new light!

Product and Process Innovation is at the heart of everything we do here. We are proud that this drive to innovate has led to the creation of various trademarks, technologies and designs beyond category codes.

Our vertically integrated state-of-the-art manufacturing plant spread over 300 acres in Hyderabad, India is Asia's largest production facility and an epitome of advanced flooring technology.

With uncompromised notion, and with Welspun Flooring transcending boundaries, the same has carved a niche in the industry.

Welspun Flooring is winning the World, One room at a time.

Promoting Sustainable Living

At Welspun Flooring Limited, our vision is to harmoniously blend all elements of the biosphere and empower individuals to reimagine their lives through sustainable growth. We strive to achieve this by seamlessly integrating sustainable practices into our operations, systems, and processes, ensuring that we stay in equilibrium with the triple bottom line.

Our Focus

Zero waste

- Embracing a regenerative economy and circularity as a cornerstone
- Adopted Zero waste to disposal
- SCS Global Services has awarded us certification under the Zero
- Waste Programme, demonstrating our dedication to waste reduction

Reduce, Reuse, Re-Produce, and Recycle (4R)

- We prioritise the 4Rs – Reduce, Reuse, Recycle, and Recover
- We have a closed-loop system that recycles and reuses all liquids, achieving zero liquid discharge

Zero non-renewable energy

- 30% share of renewable energy
- 100% renewable by 2030

Zero emissions

- Regular assessment of energy consumption and emissions levels identify areas for improvement
- Our operations are powered by bio waste and other biogenic fuel sources

WHY HPC PRODUCTS ?

With HPC, elevate your home décor to a whole new aesthetic, allowing you to express your unique style in every space. Experience unparalleled versatility, enabling you to effortlessly upgrade your home with ease.

Made In India

Welcome to "**Micro-living: The Future of Solo Lifestyles**", a guide to transforming compact spaces into **personalized sanctuaries**. As solo living rises, the need for thoughtful, functional design grows.

Micro-living is more than **a trend—it's a reflection of modern priorities: minimalism, self-expression, and well-being**. This book explores how smaller spaces can be tailored to enhance comfort, creativity, and emotional balance.

Discover the art of crafting homes that merge practicality with aesthetics, proving that even the smallest spaces can make the biggest impact. The future of living is here—embrace the beauty of small.

Underfoot CHARM

Transform your ***compact space***
with flooring that blends
functionality and style.

Every step becomes
a statement, creating a foundation
that reflects your ***personality***
while maximizing
comfort and design.

Design Versatility

Utilize HPC well-balanced size options to make an immediate impact with simple, timeless patterns. Traditionally used for flooring, plank tiles can be arranged in various patterns to create a unique and personalized design. These versatile tiles are also perfect for wall applications, delivering a seamless and cohesive look across different surfaces.
