FLOORING

LINEAR

Offering a fresh interpretation of minimalist and ultra-light design, the LINEAR collection accentuates the contemporary aesthetics that inspires from our surroundings.

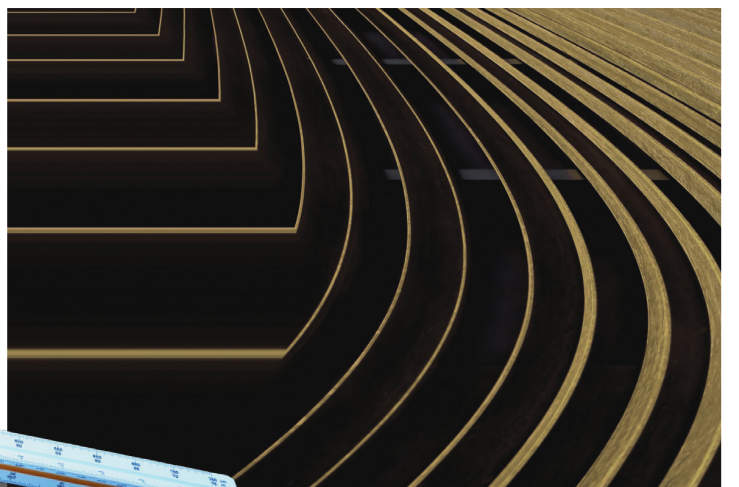

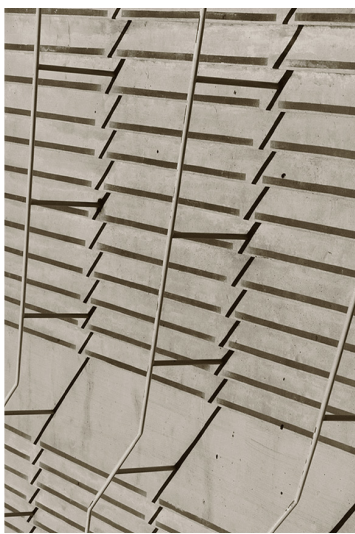

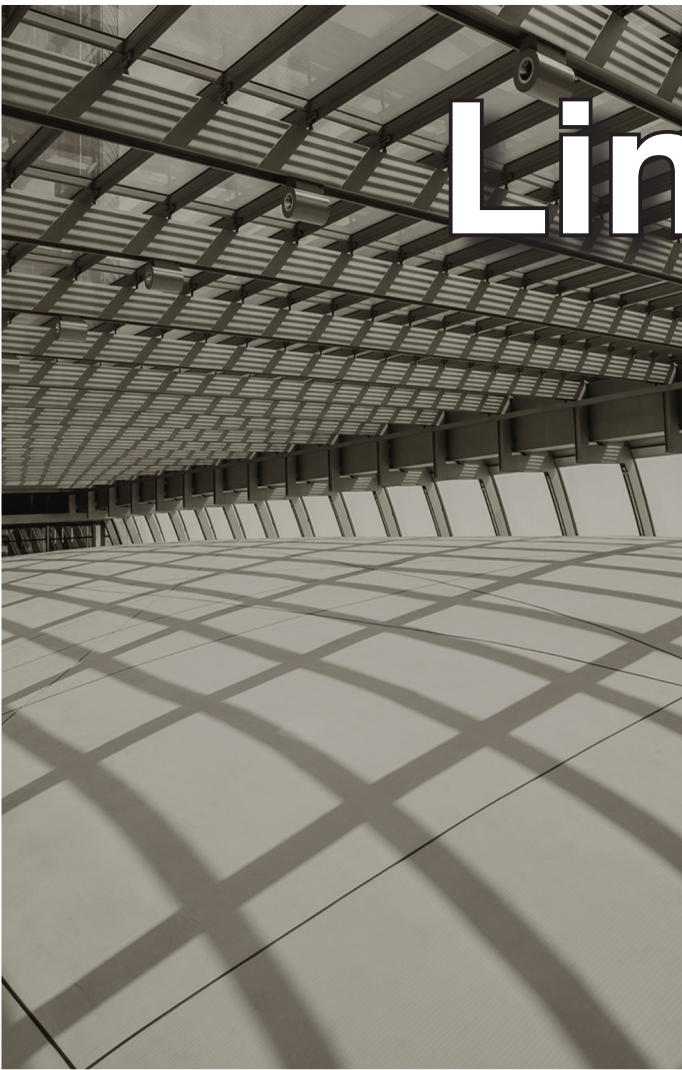

The collection showcases beauty through movement, structure, abstract surfaces created by the most fundamental of all the elements of design- the LINE.

Line can travel in any direction. Lines can be curved, straight or in free forms. An elegant mix of contemporary designs; an atmospheric vibe for an unparalleled modern Interior experience.

The simplicity captured in this Collection is the hallmark of sophistication.

The collection features a dedicated Neutral palettes, stark minimalism, clean lines, and organic silhouettes fitting effortlessly into any contemporary interior setting.
