

A photograph of a modern hallway. The walls are covered in vertical wood slats, and the floor is covered in a large, repeating geometric pattern of interlocking shapes in shades of brown, grey, and black. A potted plant sits on the floor at the end of the hallway, and a fire extinguisher is visible on the right wall.

The Art of Geometric Play

A COLLECTION BY

Welspun[®]
FLOORING

Welspun Flooring's latest collection is inspired by geometric patterns which has long been a hallmark of mid-century and retro designs, evoking nostalgia with a contemporary twist, creating a dynamic carpet designs for the hospitality sector. Featuring bold lines, layered symmetry, and playful arrangements, it enhances luxurious spaces such as hotels, lounges, and conference areas. The color palette blends nostalgic tones—mustard yellows, teal blues, burnt oranges, and earthy browns—with modern neutrals, aligning with the 2025–26 design forecast. Thoughtfully crafted patterns, colors, and materials transform flooring into a key element of interior storytelling, merging nostalgia with modern sophistication. Ideal for various hospitality spaces, the collection offers soft, understated geometrics in guest rooms to create a calming ambiance, while bold, large-scale patterns in lobbies make a striking first impression. Corridors feature repeating motifs with directional flow to guide guests seamlessly, conference rooms showcase structured designs that exude professionalism, and lounge areas embrace freeform compositions in warm, inviting hues for a relaxed, welcoming atmosphere.

DESIGNER'S CHOICE

Geometric patterns have long been a hallmark of mid-century and retro design, evoking nostalgia while remaining modern. This concept reimagines retro geometrics with a contemporary twist, creating dynamic carpet designs for the hospitality sector. Bold lines, layered symmetry, and playful arrangements enhance luxurious spaces like hotels, lounges, and conference areas.

Inspiration & Color Palette

Inspired by mid-century patterns with clean lines, repeated motifs, and a blend of curves and angles.

Retro Colors: Mustard yellows, teal blues, burnt oranges, earthy browns, and modern neutrals.

Applications in Hospitality Spaces

Guest Rooms: Soft, understated geometrics for a calm ambiance.

Lobby Areas: Bold, large-scale patterns to make a striking impression.

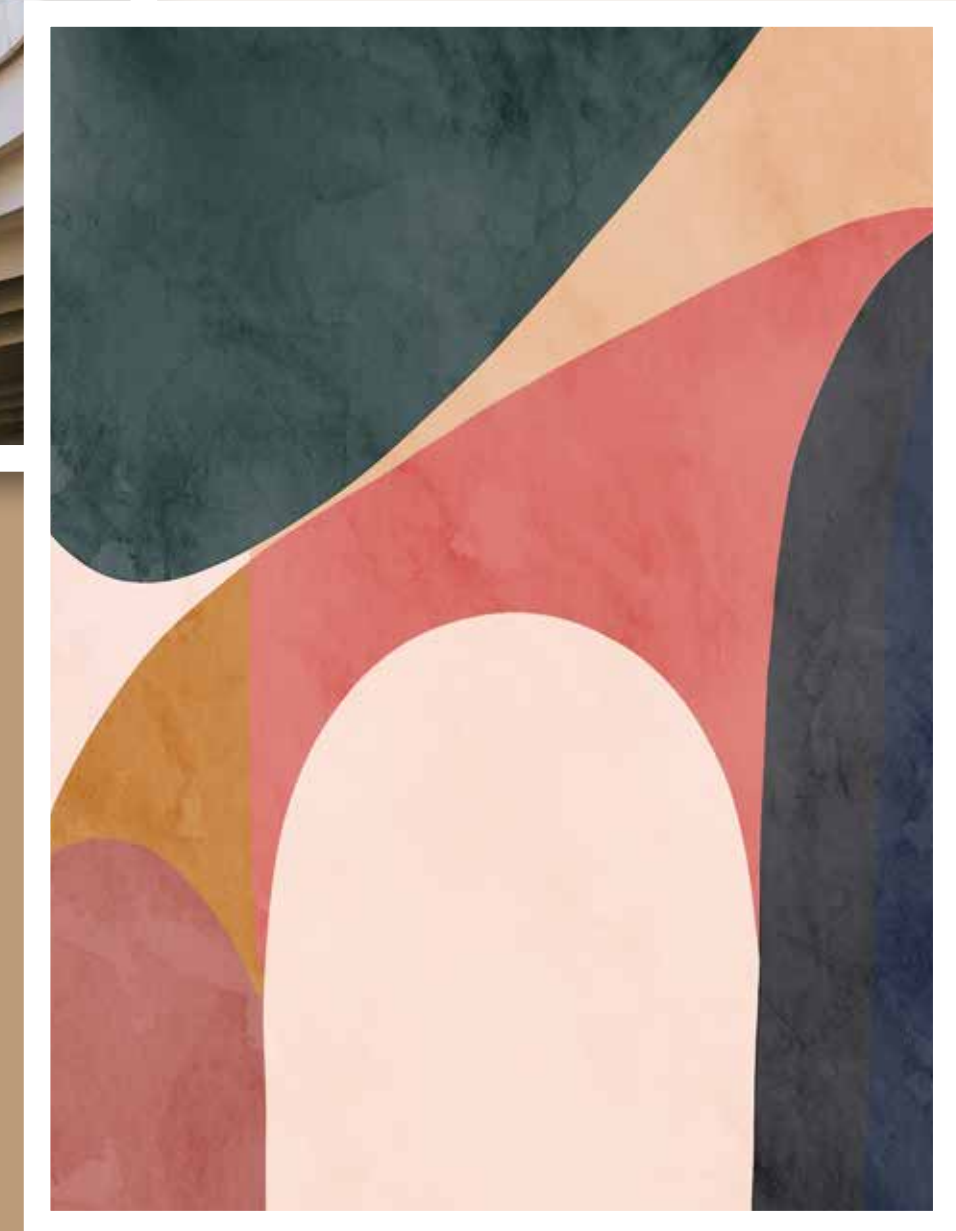

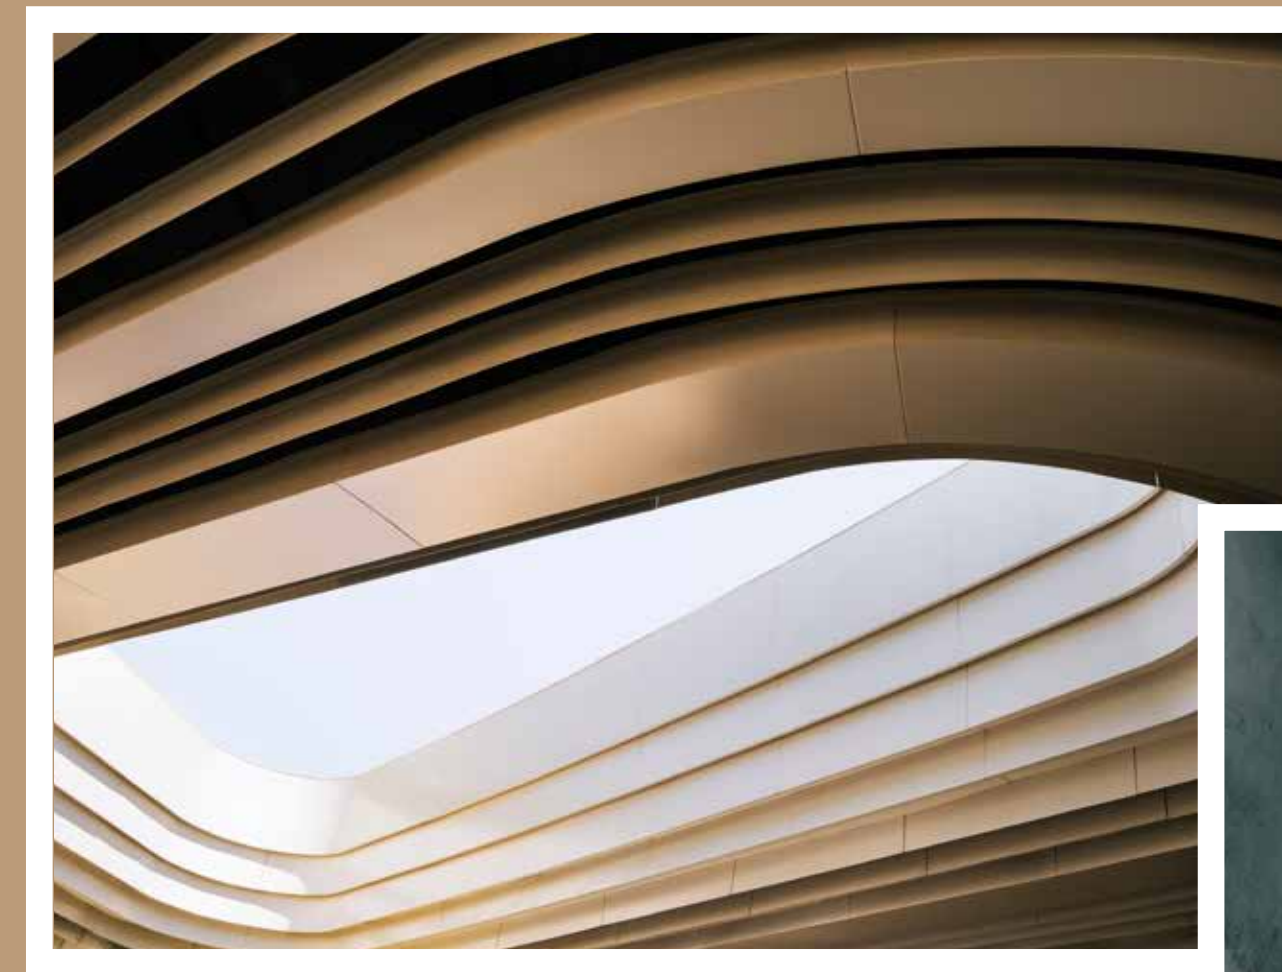

Corridors: Repeating patterns with directional flow to guide guests through the space.

Conference Rooms: Structured designs that exude professionalism.

Lounge Areas: Freeform compositions in warm, inviting hues.

This concept blends nostalgia with modern aesthetics, aligning with the 2025-26 design forecast. Thoughtfully designed patterns, colors, and materials redefine flooring as an integral part of interior storytelling.
