

A large, ornate, symmetrical floral emblem in a dark brown color. It features a central vertical stem with leaves and small flowers, topped by a row of five larger, stylized flowers. The design is flanked by elaborate, swirling foliate patterns that extend towards the top corners of the page.

ROMANTICS

QUIET Wonder

FROM FADED FRESCOES TO MODERN MOOD.
every pattern is a visual sonnet.

NOU ROMANTICS

NOU ROMANTICS is a hospitality carpet collection that reimagines the lyrical spirit of Art Nouveau through a modern, soulful lens. Inspired by the romance of slow living, cultural exploration, and emotional design, the collection embraces movement, elegance, and sensory richness.

Delicate, nature-infused motifs—vines, blossoms, arches, and scrolls—intertwine with soft geometry and expressive linework, paying homage to the past while speaking to the aesthetic depth of today's hospitality interiors. The palette evokes faded frescoes and well-traveled journals: earthy neutrals meet bold jewel tones, grounding each design in memory and mood.

NOU ROMANTICS is made for places that invite connection and reflection—boutique hotels, quiet lounges, intimate lobbies, and curated hospitality spaces where storytelling is layered underfoot. Every pattern is a visual sonnet, crafted for those who see design as a form of romance.

STORIES BENEATH
every step.

NOU ROMANTICS weaves Art
Nouveau into modern elegance—organic
motifs, rich tones, and poetic design
crafted for soulful, story-filled spaces.

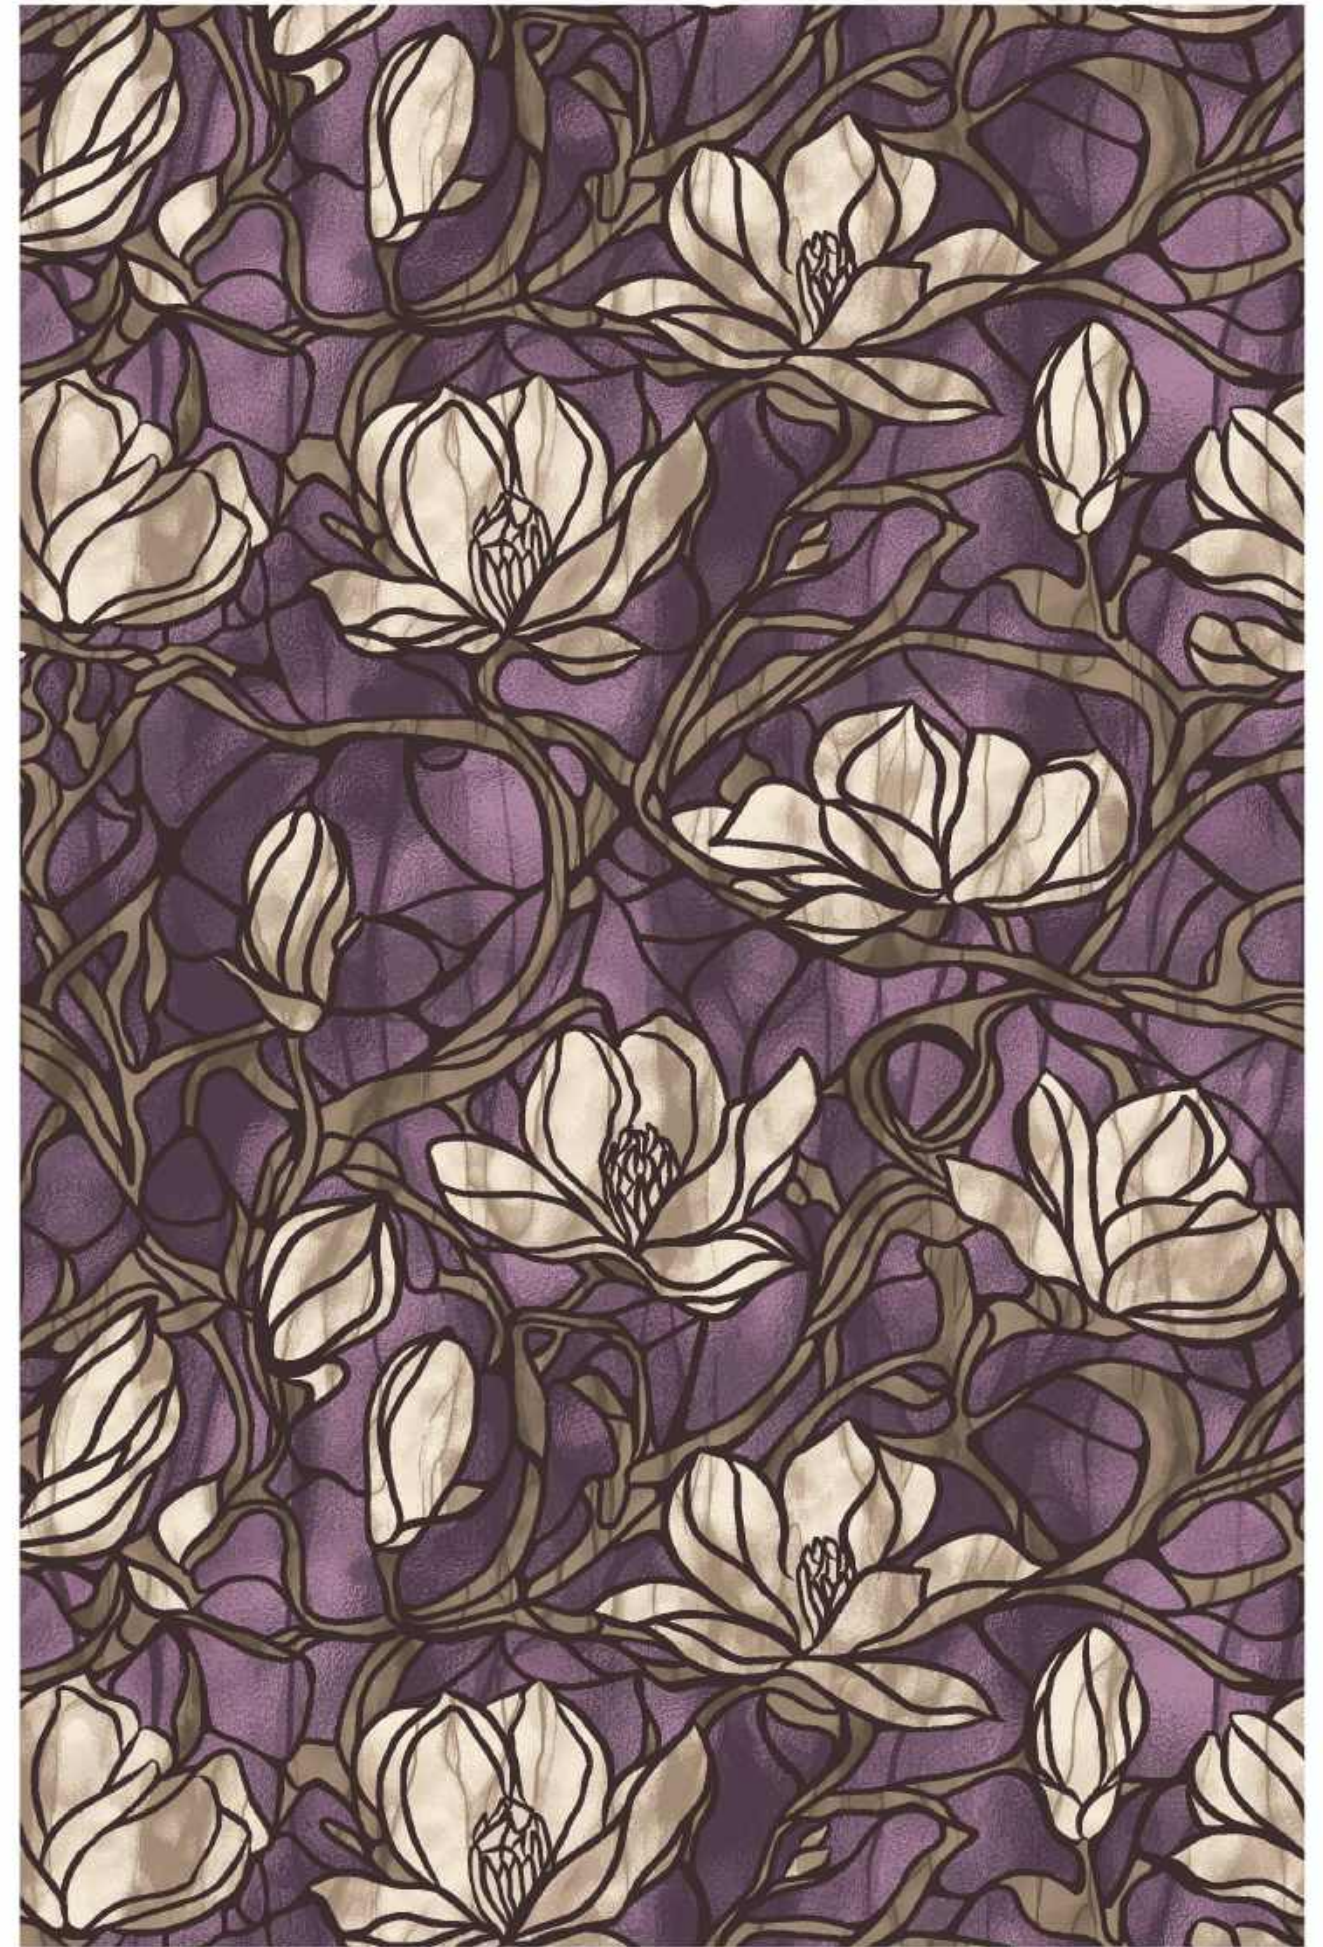

A Symphony of Blooms Pure and Hues

Interlacing magnolia motifs, soft florals, and organic tones come together in graceful harmony, evoking warmth, artistry, and timeless elegance.

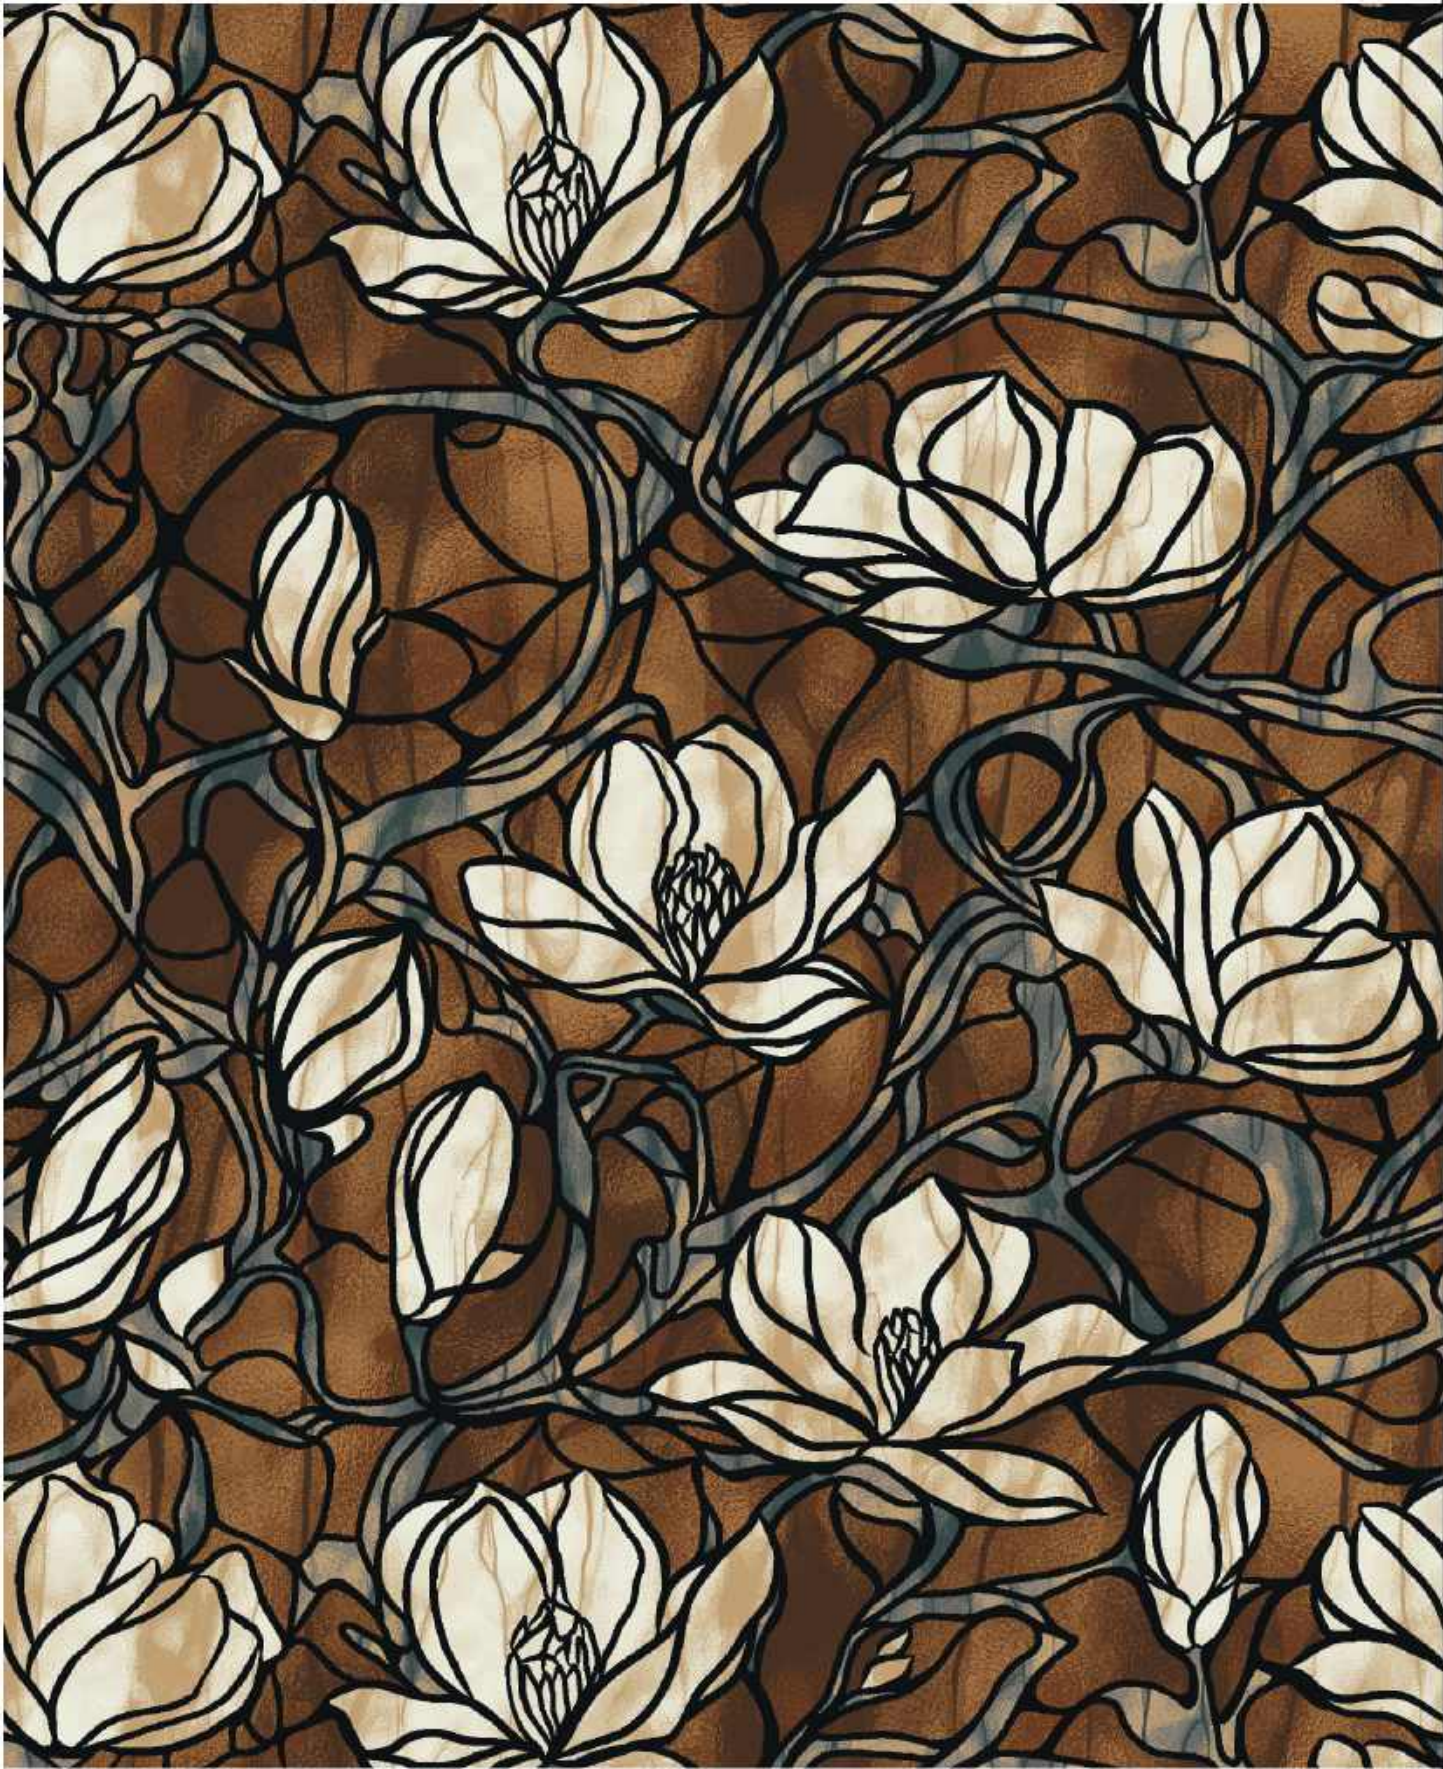

Printed broadloom

The pattern evokes the **serenity of a blossoming garden**,
crafted for interiors that seek elegance with soulful depth.
