A Luxurious Blend Of  
Modern City Inspiration

Introducing our **INNOVATIVE** carpet tile, crafted from a premium blend of nylon and PET yarns. This collection draws inspiration from the tactile look, the intellectual challenge of Jigsaw puzzles and the dynamic energy of technology and innovation. Each tile features a vibrant digital print on top, combining durability with elegant design. This versatile flooring solution not only enhances aesthetic appeal but also

promotes **TECHNOLOGY** and innovation, making it an ideal choice for modern corporate and commercial interiors floorings. This collection offers a unique aesthetic reminiscent of hand-tufted rugs, a quality that is quite rare among carpet tiles. Each piece in this collection has been designed to evoke the warmth and texture of handcrafted textiles, providing an

**ELEVATED** look and feel that enhances any space. It exudes a premium and elegant aesthetic, perfectly suited for corporate and commercial interiors. Its sophisticated design elevates any space, making it an ideal choice for those seeking to create a refined

**ATMOSPHERE** in professional environments.

# FLOOR P

# L

# A

This mood board draws inspiration from the tactile nature of slub yarn, the intellectual challenge of crossword puzzles, and the dynamic energy of technology and innovation. The fusion of these elements creates a vibrant visual narrative that celebrates creativity, complexity, and connectivity. The smooth and uneven finishes representing technological advancements, combined with rougher textures to balance organic and digital look. The colour palette incorporated in this collection interprets a muted pastels version of carpet tile which evokes a sense of calm amidst of complexity.

Ideal For Heavy Foot Traffic

TRADEMARKS & TECHNOLOGIES

NY6+™

For colors that don't fade out, Welspun Floorings Ny6+™ is made up of a highly resilient fiber that is known for its superior color retention, strength, stain and fade resistance. With all this, your floor always retains its beauty come what may.

Welspun Ecolite™

Welspun Ecolite™ backing are made up of lightweight PVC that not only reduces the overall weight significantly but ensures a 40% less environment footprint than traditional carpets. Despite that, this backing retains the highest performance standards.

Comfortile+™

With Comfortile+™, enjoy the most superior levels of safety, underfoot comfort and sound absorption. Equipped with a cushion back that is 20% more thicker, Comfortile+™ decreases sound reflection by 25% compared to hard back enabling you to enjoy quieter spaces which leads to better health.

HealthyFloor™ (Optional)

We also have carpet tiles options with antiviral property. Tested and certified by Reslnnova labs, we are the first company in India to offer antiviral carpet tiles. It eliminates 99.68% of virus thanks to a special coating of silver ion & titanium oxide.
