# *Soft Retreat*

Warmth Between Us

SOFT RETREAT is crafted for spaces where people

*come together,*

such as living rooms, shared corners, and everyday moments that feel effortlessly familiar. Built on the macro-trend of Community, this exceptionally soft cut-pile broadloom creates a plush foundation for connection, conversation, and calm.

Warm, grounded neutrals echo sunlit walls, natural woods, worn ceramics, and homes filled with life. SOFT RETREAT doesn't just soften interiors, it welcomes togetherness and makes comfort feel shared.
