Where Light Settles

Solana

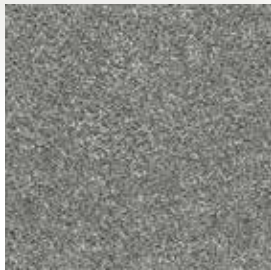

Solana

Solana draws inspiration from sunlight as it moves gently across natural surfaces, never harsh, always comforting. Speckled textures reflect nature's quiet irregularities, creating floors that feel lived-in yet refined. Each design carries a sense of ease, echoing linen-draped windows, raw ceramics, and the softness of time-worn materials.

Softened surfaces echo warmth found in nature's quiet corners.

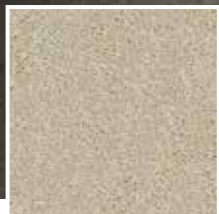

RACECOURSE

Textures of Quiet Warmth

Each surface carries a quiet warmth, thoughtfully designed to live beautifully together, supporting shared moments, daily rituals, and spaces that feel grounded, cohesive, and comfortably lived in.

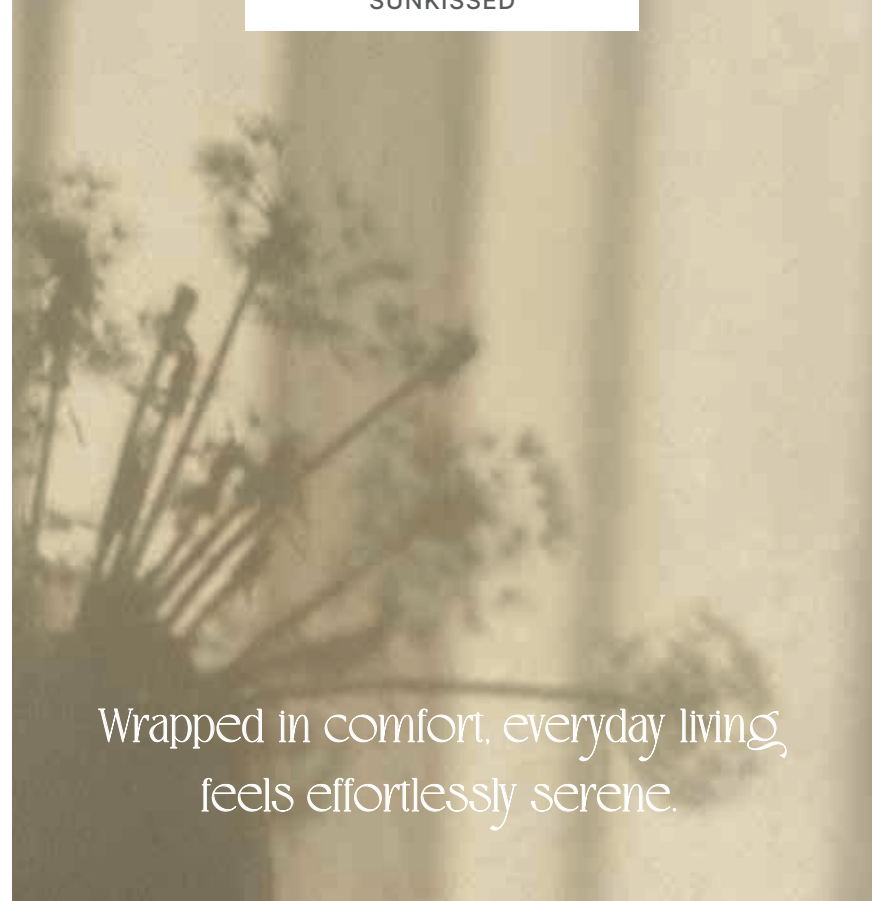

SUNKISSED

Layered neutrals create rooms that breathe with ease.

SUNKISSED

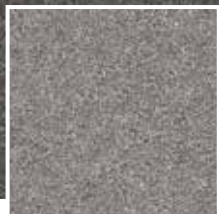

Wrapped in comfort, everyday living,
feels effortlessly serene.

The image features several rectangular samples of grey carpet with a fine, textured pile, arranged on a plain white surface. Some samples are partially overlapping. Scattered around the carpet are several small, dried, brownish-orange flowers or seed pods, adding a natural, organic touch to the composition. The lighting is soft and even, highlighting the texture of the carpet fibers.

Softness Finds Ground

Subtle textures hold light gently, shaping calm interiors where softness invites reflection, surfaces breathe quietly, and everyday moments unfold with ease, balance, and a sense of grounded presence.

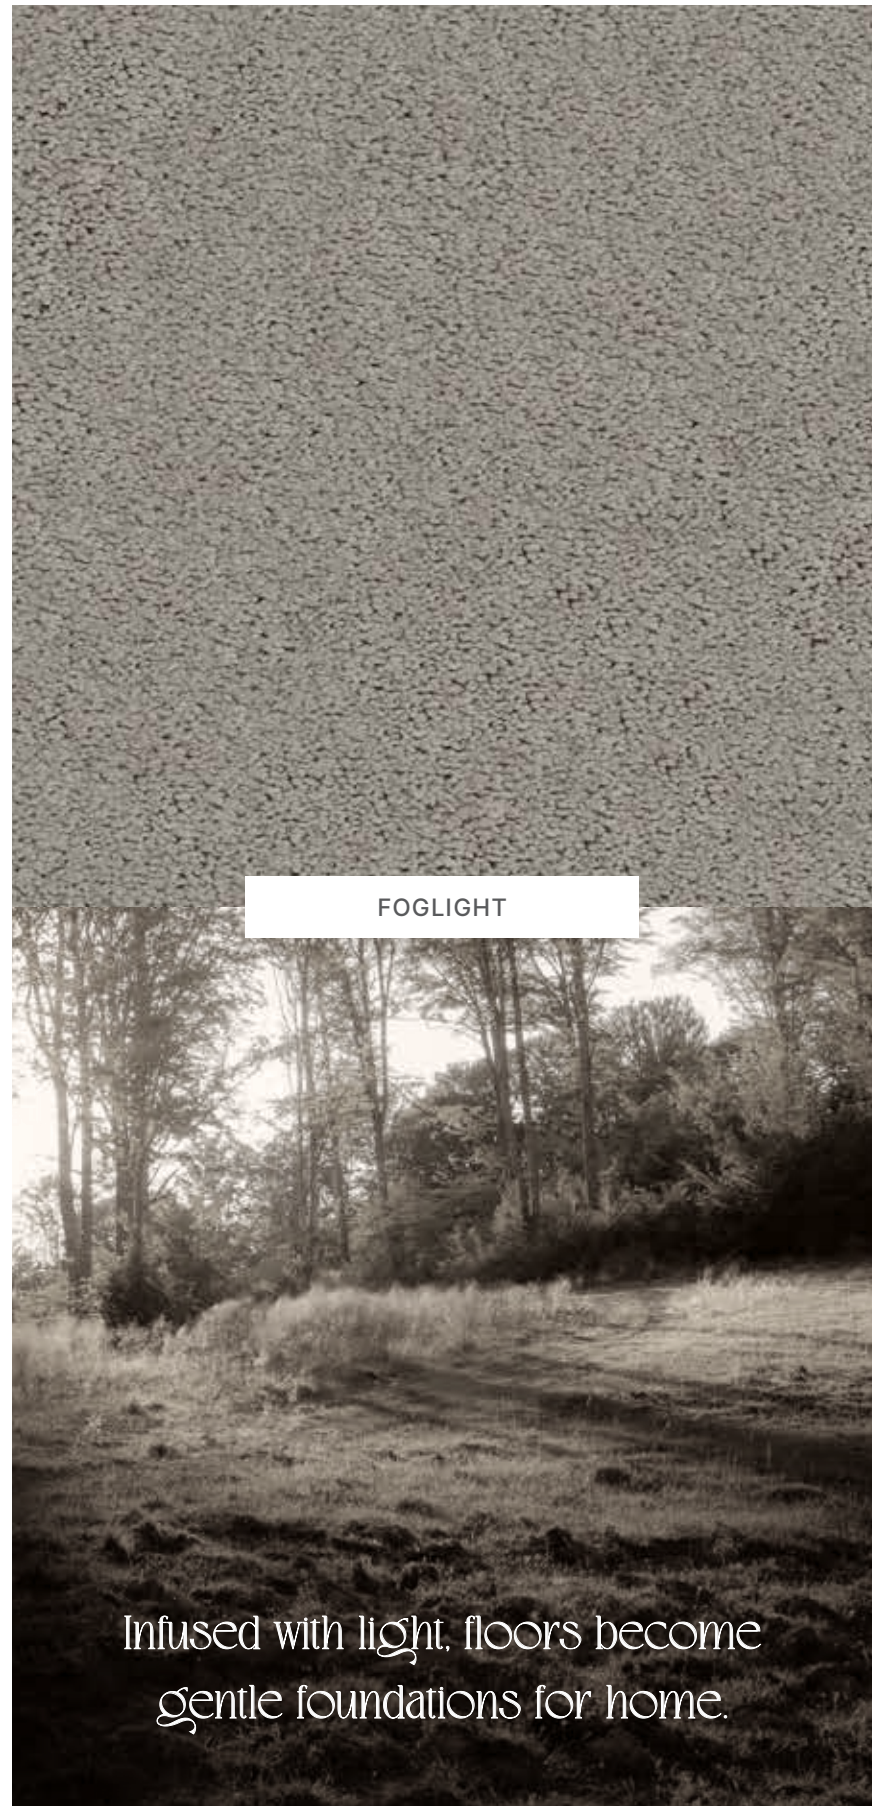

THERMAL

Bathed in sunlight, spaces unfold with calm confidence.
